

Vacancy: Experienced PHP/WordPress Developer

Eagerly is a Full Service WordPress agency based in Utrecht. We're looking for strong PHP back-end skills primarily, but ideally you will have experience in JS and React.

We offer job satisfaction:

- # Cool **projects** (TivoliVredenburg.nl, Storiesthatmove.org, Filmhallen.nl, Cultuurmarketing.nl, see eagerly.nl for cases).
- # Very divers **team** (in expertises, origin, open-mindedness)
- # Time for **innovation** and free play.
- # Vibrant **trips**, conference visits such as WordCamp Europe.
- # Free **hardware** choice.
- # Sufficient **money** in your bank now and later (pension savings).
- # Flexible working hours, partly **remote** is possible.

What do we expect from you

- # at least **4 years** of experience as a backend developer on various projects,
- # good command of **PHP** (OOP) and MySQL,
- # competent in HTML, CSS, plain (ES6) **JavaScript** and APIs (SOAP / REST),
- # affinity with **WordPress**,
- # excellent communicator (NL and/or EN),
- + experience with GIT, Laravel, **React** is a plus
